## HCPH COVID-19 Test Sites Closed on Monday, Martin Luther King Day

*Get Tested at an HCPH Test Site Near You Tuesday - Sunday*

**Houston** – Some Harris County residents are being vaccinated to prevent COVID-19, but not enough in time to stop the rapid increase in cases and hospitalizations. Current supplies are limited, so the highest risk people are being vaccinated. As supplies increase and more people are vaccinated, it will slow the spread of the virus. For now, the best ways to help prevent the virus are to take precautions – wash your hands, avoid crowds and when you're around people you don't live with, wear a mask and stay 6 feet from them – *and* get tested.

All HCPH test sites are closed Monday January 18<sup>th</sup> for Martin Luther King Day. Sites will be open Tuesday-Sunday, so make an appointment. Testing is **free** and quick at HCPH test sites, you get your results in 3-5 days. Children can also be tested at the sites listed below. Register at [hcphtx.org](https://hcphtx.org) or call 832-927-7575.
